The incident took place in a **remote area of Maybrat**, where the injured farmer **accidentally fell while using a machete**, resulting in a **deep wound on his hand**. Upon hearing the distressing news, **the Yonif 501/BY soldiers on duty immediately rushed to the location** and provided **life-saving first aid** to stop the bleeding and stabilize the victim's condition.

"It is our duty to always be present for the community—not just as security forces but as true partners who care for the people," said **Lieutenant Colonel Inf Yakhya Wisnu A. S.Sos., M.Han.**, Commander of **Yonif 501/BY Task Force**.

Following the **initial treatment**, the soldiers **personally transported the injured farmer to the nearest health facility** for further medical care. Beyond medical aid, they also **comforted the victim's family** and provided **educational outreach to the community** about the importance of handling sharp tools safely while working in the fields.

The presence of **Yonif 501/BY soldiers in Maybrat** is not limited to security operations; they are also **trusted allies** who are **always ready to assist in any emergency**. Their **empathy and responsiveness** have significantly strengthened the bond between the **TNI and local residents**.

The **people of Maybrat deeply appreciate the soldiers' dedication**. A community leader, **Mr. Johan**, expressed his heartfelt gratitude:

"We are very thankful for their help. The soldiers of Yonif 501/BY are not just protectors—they genuinely care about our well-being."

Meanwhile, **HABEMA Commander, Major General TNI Lucky Avianto**, acknowledged the soldiers' humanitarian efforts, stating:

"The initiative of Task Force Yonif 501/BY to assist an injured resident in Maybrat is a reflection of TNI's unwavering commitment to serving the community. This humanitarian action aligns with our broader mission to accelerate development in Papua."

Through **swift action and compassionate service**, the **TNI Yonif 501/BY Task Force continues to strengthen its presence as both a protector and a partner** in Papua, ensuring safety, well-being, and a **brighter future for the local community**.
