INTAN JAYA- The Infantry Battalion Task Force (Satgas Yonif) Raider 509 **Kostrad**, one of the key units under **HABEMA Operations Command**, continues its **RI-PNG Mobile Border Security Operation** in **Puncak Regency, Central Papua Province**. Beyond its security mission, the task force is deeply committed

to **supporting education and fostering a love for learning among the children of Intan Jaya.**

On **Friday (2/14/2025)**, soldiers led by **Second Lieutenant Inf Nauval** visited **Kindergarten J2**, where they conducted a **play-and-learn session** to create a fun and engaging learning environment.

The activity was filled with **enthusiasm and laughter**, as soldiers engaged with the children through **interactive Q&A sessions** on **basic knowledge and daily life topics**. To boost motivation, **small prizes were given to those who answered correctly**, further igniting their excitement to participate.

"We want to provide a fun learning experience for the children. Seeing their enthusiasm and passion brings us great joy," said **Second Lieutenant Inf Nauval**.

Beyond the Q&A session, the event also featured **group play activities**, strengthening the emotional bond between the soldiers and the children. The sight of **beaming smiles and cheerful laughter** was a testament to the event's success.

This initiative is part of **the Yonif 509 Kostrad Task Force's ongoing commitment to supporting education and fostering close ties with the local community in Intan Jaya**. By creating moments of happiness and inspiration, the task force hopes to **motivate children to embrace learning and strive for a bright future**.

"The Yonif 509 Task Force's initiative to hold a play-and-learn session with children at Kindergarten J2 reflects the TNI's deep concern for serving the basic needs of the community. This effort is a crucial step in accelerating development in the Papua region," said **HABEMA Commander, Major General TNI Lucky Avianto**, upon receiving the activity report.

With activities like this, **TNI is not just a guardian of security but also a force for positive change, inspiring the next generation in Papua.**
